MEMORANDUM FOR: Deputy Director (Plans)

SUBJECT: Second Meeting of the Security Panel  
for Project TIROS

1. Enclosed herewith is [ ] memorandum covering the subject STAT meeting and a booklet of degraded photos intended to show simulated satellite imagery. You will note in particular that the date for launching has now been changed to 26 January 1960.

2. Regarding the question of getting each nation's official permission before releasing photography of its domain to unclassified sources, I have talked with Mr. Amory and he concurs with me that we should vote as the State Department will vote on this issue. State will cast its vote through Mr. Bernard F. Dorr. Your wishes in this matter could probably be transmitted through Mr. Hugh Cumming to Mr. Dorr.

3. We will keep you posted on Project TIROS agreements and plans as they are firmed.
